CALVIN CHRISTIAN HIGH SCHOOL PARKING AND DRIVING REGULATIONS

1. All vehicles parked on school grounds must be registered with the school and must display a current decal on the **FRONT WINDSHIELD, PASSENGER SIDE JUST ABOVE THE DASHBOARD. The decal should be placed to not obstruct the vision of the driver.** Fines will be issued for failing to display a current decal. Decals should be transferred if a different vehicle is driven.
2. Parking is limited to student parking areas. Students are not allowed to park in the north lot (except along the tree line) **OR** in the west lot and south lot along the sidewalk that borders the school. Vehicles must be parked within painted parking spaces. Fines or detentions will be issued if a vehicle is parked improperly. If special parking needs are required, arrangements must be made in the office.
3. All students must be licensed and covered by insurance. The school is not responsible for the vehicle or its contents. Students are encouraged to hide valuables and keep doors locked.
4. Except during senior eat-out, students may not go to the parking lot during the school day without permission. There is to be no loitering in the parking lot before or after school.
5. There is to be no speeding or any form of reckless driving on the school grounds.
6. Parking regulations are strictly enforced. It is considered a privilege to park on the school grounds. A fine, a detention, suspension of driving privileges, or towing of vehicles and/or suspension from school may occur when violations of these regulations occur.
7. Students driving to and parking at school should fully understand their responsibility and agree to abide by these school rules.
8. Parking decals can be kept and exchanged the following year for a new one. The permit must be updated if any information (car model, license number, etc.) is different.
